

## BUSINESS PARTNERS ON-LINE BOOKING FACILITY

**Book your agreed private company rates online  
via a simple and secure password system!**

Wren's Hotels have developed a new system that allows clients to access their partner rates at any Wren's Hotel via a secure on-line booking vehicle called Fastbooking. The system is available in 16 languages and ensures easy booking for your company at any Wren's Hotel at any time.

You can check availability and book a room on-line at your agreed rates without the need to make a phone call. The online system means you can check from the real time availability of our hotels at any time.

### MAKING A BOOKING

The Booking Procedure is easy to follow:

#### Step 1:

Go to [www.wrengroup.com](http://www.wrengroup.com) and click on 'RESERVATIONS'

Type in your unique access code name into the box marked 'ACCESS CODE'

#### Step 2:

Your personal company rate will now appear. Simply select the room type you wish to stay in and proceed with your booking.

You will be sent a confirmation Email.

That's it!!

Billing will be as per the terms of your agreement with us

For any queries enter the website and click on the 'PARTNERS' button where you will get step by step instructions.
